

National Missing Children's Day Poster Contest Ohio Winners

3rd Place - Wilson Dang from Louis Agassiz Elementary. Wilson's principal is Mrs. Hericks and his teacher is Mrs. Ritz. He enjoys playing dodge ball, football and volleyball.

When asked about his poster, he said: My poster is about a helicopter shining light on people. The people are letting go balloons with the words "Bring Our Missing Children Home" on the balloons. In my poster, I am trying to show that the people are trying to show everyone about their missing children and for them to try and find their children. I also drew an empty playground showing that the children are missing.
