III. OLD BUSINESS

A. Review of AMBER Alerts:

Staff Lieutenant Kristin Wickman advised there were four (4) Amber Alert activations during the second quarter:

1. 06/07/23 – activated by Grove City P.D. Children were recovered safe.
2. 06/16/23 – activated by Perry County Sheriff's Office. Children were recovered safe.
3. 06/17/23 – activated by CECOM. Children were recovered safe.
4. 06/24/23 – activated by CECOM. Child is still missing.

S/Lt. Wickman gave a full description of each alert. Each activation had an After Action Review (AAR) to define the problems and better communication on the activations.

Chris advised how helpful these details and AARs are for the committee. Brent added that issues come up and each case is unique. It's good that the review seems to bring up new issues that maybe weren't covered in training.

B. Review of Blue Alerts:

There were no Blue Alerts for this quarter.

C. Review of Endangered/Missing Child Alerts:

For second quarter, 2023, there were three (3) Endangered/Missing Child Alerts.

1. 05/14/23 – issued by Mount Healthy P.D. Children were recovered safe.
2. 06/06/23 – issued by Youngstown P.D. A ransom demand was received by the father. The child was recovered safe by law enforcement.
3. 07/07/23 – issued by Liberty Township. Children were recovered safe very quickly.

D. Review of Endangered/Missing Adult Alerts:

There were forty-one (41) Endangered/Missing Adult Alerts this quarter. Twenty-five (25) additional calls did not result in activation of an alert. Four individuals were unfortunately found deceased.

E. Alerts Training Update:

Captain Raines advised there was one (1) training during the second quarter. This training was held at the Patrol Academy and attended by 135 attendees.

There are eight (8) trainings currently scheduled between now and the end of the year.

Training video:

The current training video is outdated. Captain Raines introduced Jeff Grayson to the committee. Jeff is working with DPS Visual Communications in updating the current video. A lengthy discussion regarding the content of this new video was held.

Captain Raines made a motion to form a subcommittee to prepare the needed content for upgrading the video. Motion seconded by Chris Merritt. Motion passed. An email will be sent out to all committee members for suggestions for the new video.

Brent Currence asked for someone to chair the subcommittee. Brent offered to chair and he asked that interested members email him if they'd like to be on the subcommittee.

Governor's Appointment Update:

Captain Raines advised that two (2) members, Sheriff Crawford and Captain Raines, have received their appointments and have taken the Oath of Office. The appointments of Chief Harris and Erin Pettegrew are still pending.

State Fair Booth Update:

The "shared" booth with Ohio 9-1-1 is not happening at the request of Ohio 9-1-1's Administration.

F. 2023 Alerts Conference:

Ryn Farmer advised that the Conference will be held at the Highway Patrol Academy on Wednesday, October 11, 2023, from 9 am to 4:30 pm. A flyer will be sent out on August 1st. Ryn explained current plans for the conference and expected speakers. Registration is now open.

IV. NEW BUSINESS

The Safer Ohio Repository Committee (SORC) update:

DPS IT is working on upgrades to the SOR and giving access to Raines, Wickman and Stegner to be able to make changes and/or post to the website as needed.

Committee support for CART training:

The Fox Valley Technical College is having training on the Child Abduction Response Team (CART) October 24 – 27, 2023, at the Columbus State Delaware Campus on US 23. Lydia Frey asks that the Committee to support CART and that someone could attend this training. Captain Raines made a motion to allow Lydia Frey to use the Amber Alert logo on her marketing material to promote this training and have a committee member attend/speak at the training. Harry Trombitas seconded the motion. Motion passed.

Captain Raines introduced Samantha Scherger, DPS Legal Counsel. Should the Committee need legal advice she is the person to contact.

Patrick Brandt with Ohio 9-1-1 was introduced. Patrick has replaced Rob Jackson and he gave an overview of his experience.
